

Beech Firewood

We, an Austrian company, Eybl Austria GmbH, would like to send you an offer exclusively for the residents of Austrian municipalities.

With winter approaching, we understand the importance of a reliable and efficient heating source for the residents of your community. That's why we're pleased to present our limited supply of high-quality firewood, reserved especially for residents of Austrian communities.

Here are the features that make our firewood special:

1. **Air and chamber dried:** Our firewood undergoes a careful process of air and chamber drying to ensure optimum moisture content for efficient and clean burning. This results in constant and long-lasting heat in your home.
2. **Pellets:** Convenience is key, so our firewood is supplied in pellet form. This not only makes storage easier, but also ensures a hassle-free experience when loading and burning.
3. **Limited quantity, unbeatable price:** This exclusive offer is available in limited quantities at an unbeatable price for your community. We understand the value of a good deal and want to give your community the opportunity to enjoy quality firewood without breaking your budget.

Why choose Eybl International's firewood?

- **Reliability:** Our company has a long-standing reputation for delivering high-quality products. You can trust Eybl International to deliver firewood that meets and exceeds your heating needs.
- **Environmental responsibility:** We are committed to sustainable practices and our firewood is responsibly sourced to have minimal impact on the environment.
- **Local support:** By choosing Eybl International, you are supporting a local company that understands the unique needs of Austrian communities.

To take advantage of this exclusive offer, simply reply to this email or contact our dedicated sales team at sales@eybl-international.com.

We would be happy to discuss your specific requirements and provide any additional information you may need.

Don't miss the opportunity to secure a reliable and cost-effective heating solution for residents in your community this winter.

We look forward to the opportunity to serve your community's firewood needs.

Please feel free to contact us at any time with any questions you may have.
